The lands are under good management and from the revised scale of income and expenditure submd for sanction now it will be seen that the sale proceeds of

the gutta from the lands amount to Rs 580 and the expenditure (Restabt. Nityakatle & Hebelukatle) has been fixed at Rs 429-15-9 including the Kandayam amount of Rs 97-7-9 payable on the lands. [It has to be pointed out here that according to the Dy: Comr's letter as also the G.O of 1904 the assessment on the lands is Rs 108 and why it has been shewn as Rs 97-7-9 in the statement referred to above has not been explained].

[The figure Rs 332/8/11 in para 9 of the D.C's letter ~~appears to be incorrect~~ is exclusive of the Kandayam amount]

~~By the scale of expenditure the~~ savings of Rs 120-0-3 to ~~be~~ put down for repairs ~~etc., if~~ approved, it ~~may~~ to shown as ~~saving~~ as such drawings may not be required annually for repairs &c.

X From the statement, 3 of the expenditure increase under 'Establishment' in May 1905 up to April 1914, it is seen that a sum of Rs 2317-7-7 was incurred [illegible] - Cost of 640 Rs drawn from the Savings Bank and paid to the trustee Mr Govindachar for expense. Govindachar has been paid Rs 469-3-4 and a further sum of Rs 1802-4-8 has been paid direct to him. This gives a total of Rs 2271-8-0 and he claims payment of the balance of Rs 46-0-7

[The correct total is Rs 2268-3-7 and the difference viz Rs 49-5-0 as shewn against 1710 in the remarks column is not explained].

is recommended by the Dy: Comr. In calculating the total amount due for 7 years from 1905-1914 at the rate of Rs 245/- per annum in accordance with the Paadik patti of 1905, it is not ~~clear~~ explained why the amount of Rs 5/- provided in the foot note for Tiruvaimuli Tirumarayanchari's Tiramukhatram has been left out of account. Besides, when the total amount of expenditure incurred for 10 years from 1905 to 1914 is shown to be Rs 2317-8-7 in the statement, it is not clear why in ~~the~~ note II to the statement, the expenditure is calculated for 9 years at Rs 245 per annum - If approved, enquiry will be made on the above points -

In note VI to the statement, it is stated that ~~no accounts~~ how the balance of Rs 170-12-8 outstanding with Mr Govindachar out of Rs 640 - - - given to him for temple expenses, has been utilized has not been made clear.

As regards the scale of expenditure, against an annual expenditure of Rs 400 proposed by the Trustees, the Dy: Comr has proposed an expenditure of Rs 332-8-0.

According to the Paadik patti of 1910

the amount fixed for annual expenditure is Rs 245, exclusive of the allotment of Rs 5/- for Tiruvaimuli Swamy's Tirumakkotram. The Dy: Comr: says that it will not do to spend away Rs 400 annually out of the net income of Rs 450 from the lands endowed to the temple and proposes to increase the expenditure only by (Rs 332-8-0) - (Rs 245-0-0) = Rs 87-8-0.

From a comparison of the proposals made by the trustees and the Dy: Comr, it will be seen that the following items have been rejected by the Dy: Comr.

Out of two managers on Rs 3/- each proposed by the trustees, the Dy: Comr has allowed only one, and so the expenditure on establ: has been reduced from Rs 13-8-0 to Rs 10-8-0.

The paditara expenditure has been increased from Rs 6-7-0 to Rs 11 by the trustees and this has been allowed by the Dy: Comr.

The allotment of Rs 59-12-0 for Hefelukkalu expenditure was raised to Rs 106 by the trustees, but the Dy: Comr has cut it down to Rs 74-8-0.

Inclusive of the Kandayam of Rs 97-7-9 payable on the lands, the total expenditure proposed by the Dy: Comr

The affairs of this temple seem to be in a confused state The accounts are still in the S.B. account. The trustees have spent more than the fixed scale and now claim this extra amount. In their petition to the Dewan the Trustees have expressed that they are willing to pay 5 pallas of paddy more than the present Jutta of 110 pallas, if the lands are leased out to them. This point has not been considered by the Deputy Commr. (This is not a regular Muzrai Institution as it is not enjoying any Govt grant).

May the proposed scale be sanctd or the file reserved for disposal after personal inspection?

Sir,

+Adverting to marginally noted references from you forwarding petitions from the trustee of Sri Srinivasa devaru temple at Melkote regarding the restoration of lands endowed to the temple, and payment of certain Jastik amount, and calling for report thereon, I have the honor to state as follows:-

One Venkatakrishnamma offered

to

× Official Memorandum No: 442 dated 17th August 1914. Muzrai 54-14-2

And letter No: 830/Muzrai 142-14-2 dated 2nd October 1914. Copy

to endow this temple with the marginally noted land, to the total extent of twenty eight acres and seven guntas as included in the T. Narasipura Taluk and executed a bond in the name of the trustees on 4th February 1902, but subsequently petitioned to Government, on 29th May 1903 and 30th June 1906, praying that these lands might be taken under Government management and after utilizing the income thereof for certain stipulated services and meeting the kandayam due to Government, the balance might be made over to her

3. Government however, directed her to divide the property so as to relieve Government from the liability of making over any balance to her (vide Government order No. 2559 dated 27th February 1904).

4. She accordingly set

total extent of 16 acres and 32 guntas and 99
exclusively for the services mentioned
by her in the temple and prayed that
they might be taken under Govern-
ment management. Thereupon, Govern-
ment directed that these lands might
be taken under Government manage-
ment (vide Government order no: 4002
dated 15/26th June 1904).

5. It is seen from the above that the
lands set apart for the Siva are only
11 acres and 32 guntas in extent and not
28 acres as claimed by the trustees, though
the land executed by the donor in their
name mention it as 28 acres and
7 guntas. The Survey numbers said
to be mortgaged are only 29, 65 and
56 but none of these form the en-
dowment. There is thus nothing to be
restored and the trustees may be informed
accordingly—

As regards the management of the brought properties I beg to state as follows:-

Rs. 10-3-10 brought to account in the Sub-Talukh as sale proceeds of gutta crop with interest, due on the most accepted assessed, from the time the lands were taken to under Government management to the year 1913-14

94-3-3 Similar sale proceeds of 13-14 not yet brought to account in the Sub-talukh but recovered and held in deposit in the T. Narasipura Sy.

The sum realised by the sale of the produce yielded by these lands I have been regularly credited to the Savings Bank Account no: 654 in the Seringapatam Taluk Treasury and payments have been made to the manager Kalamegham Alasingra Char or trustee Mr. Govinda Charya towards the Swa another expenses out of the amount with-drawn from this account. The receipts and expenditure are noted in the margin.

*

I. Alasingra Char who has been entrusted with the management of the temple received payment of the sum mentioned in the Jasdik patte given by Venkatalakshmamma till May 1913, when he demanded more, as per revised Jasdik proposed by the Trustee in a meeting held by them. The then Deputy Amildar refused to pay the excess amount

Spenditure being in the amounts paid to the trustees.

Rs: 640/- to Mr. Govindachar of which he has paid Kalamegham Alasingrachar Rs. 469-3-4 for Swa and has not furnished accounts for the balance said to have been utilised for some repairs.

Rs. as. p. 802-4-8 to Alasingrachar Rs. as. p. 2442-4-8 of which 2271-8-0 have been utilised for Swa.

Since the scale as revised by them was not sanctioned in due course (Vide Deputy Amildar's report no: 135/317 dated 24-11-1913) S. Narasingra Char now claims the excess amount which he states he has been spending as per revised scale. He received till June 1914 a total sum of Rs. 2271-8-0 as detailed in the margin (Which is 66-8-0 more than he was entitled to receive according to the Jasdik patti now in force.) The total amount claimed by him was Rs. 2317-8-0 and thus a sum of Rs. 46-0-7 was due to him, and I request that this might be ordered to be paid to him.

9. As regards the scale of expenditure proposed by the trustees and presented to the Dewan with their petition no. 830 dated 6th August 1914 desiring to spend Rs. 400/-, I beg to state as follows:-

X From the Deputy Amildar Tumkur Receipt Sub-Register
From No: Govindacharya Rs. 469-3-4

The gutta realisations on the endowed lands may be taken to be about 110 pallas of paddy worth about Rs. 550/-. Deducting from this amount, the annual kandayam due to Government the amount available for expenditure would be the balance of about Rs. 450/-. It will not do, therefore, to spend Rs. 400/- annually. The scale, may, however be sanctioned as revised in the appended form enhancing the expenditure from Rs. 245/- to Rs. 332/8/- If Government are pleased to sanction this, payments may be made monthly in the treasury and no advance, as prayed for by the trustees, is necessary. Nor is there any necessity to make over the management of the lands to them.

10. Previous references from Government on the same subject namely letter no: 4963 dated 21/23rd April 1906 and 2476/Miscl. J. 70-98 dated 1909 may be seen.

11. The entire correspondence
subject ending with French Rocks
